Shibata Chie

Mika's homeroom teacher.
She's feared by her students as a demon teacher.
She tried to rehabilitate the problem student Mika, but she got toyed with instead.
26 years old.

Anzai Mika

There're always bad rumors circulating about the school's top gyaru bitch.
She's always keeping her eyes on Shibata.
When the teacher showed up at the place where she was doing compensated dating, Mika softened her with her incredible technique.

Here's what happened in the previous issue!

- ① Anzai's teacher, Shibata, had enough of the girl's problematic behavior!

I won't allow that!

- ② Shibata found Anzai's secret account and went to the love hotel where she was engaging in paid dating!

She's done for!

- ③ She was going to drag her out and give her a lesson, but things got naughty and she got toyed with in both body and mind!

Just that.

風紀委員

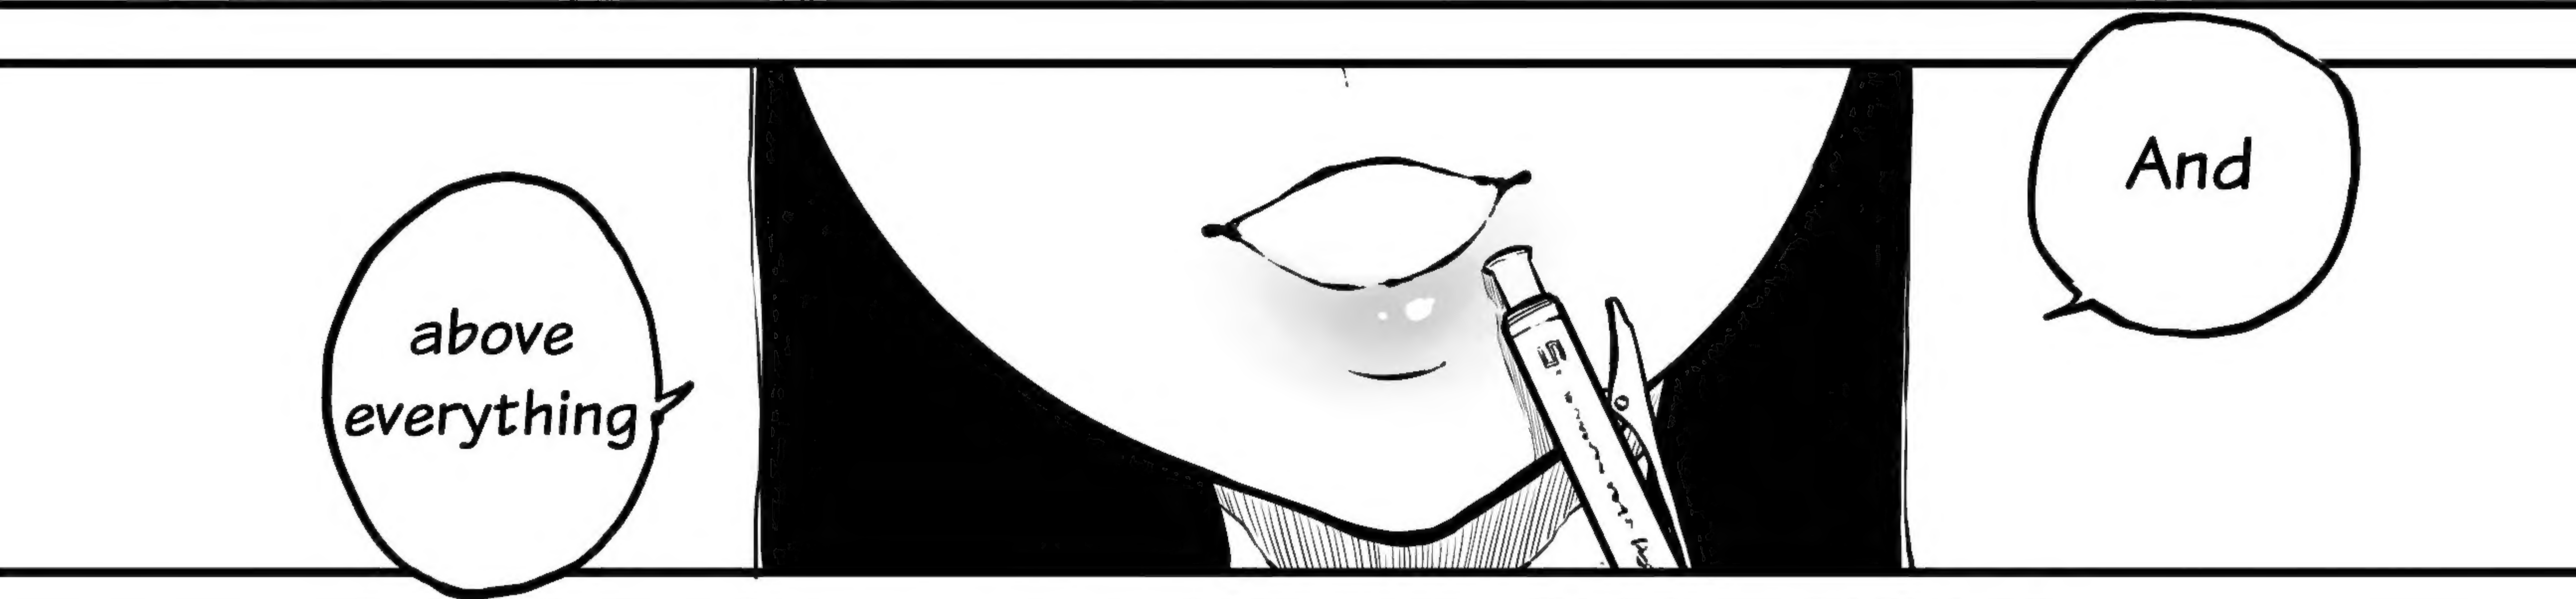

This is a serious matter.

If this continues, it's only a matter of time before the school's reputation sinks like a rock.

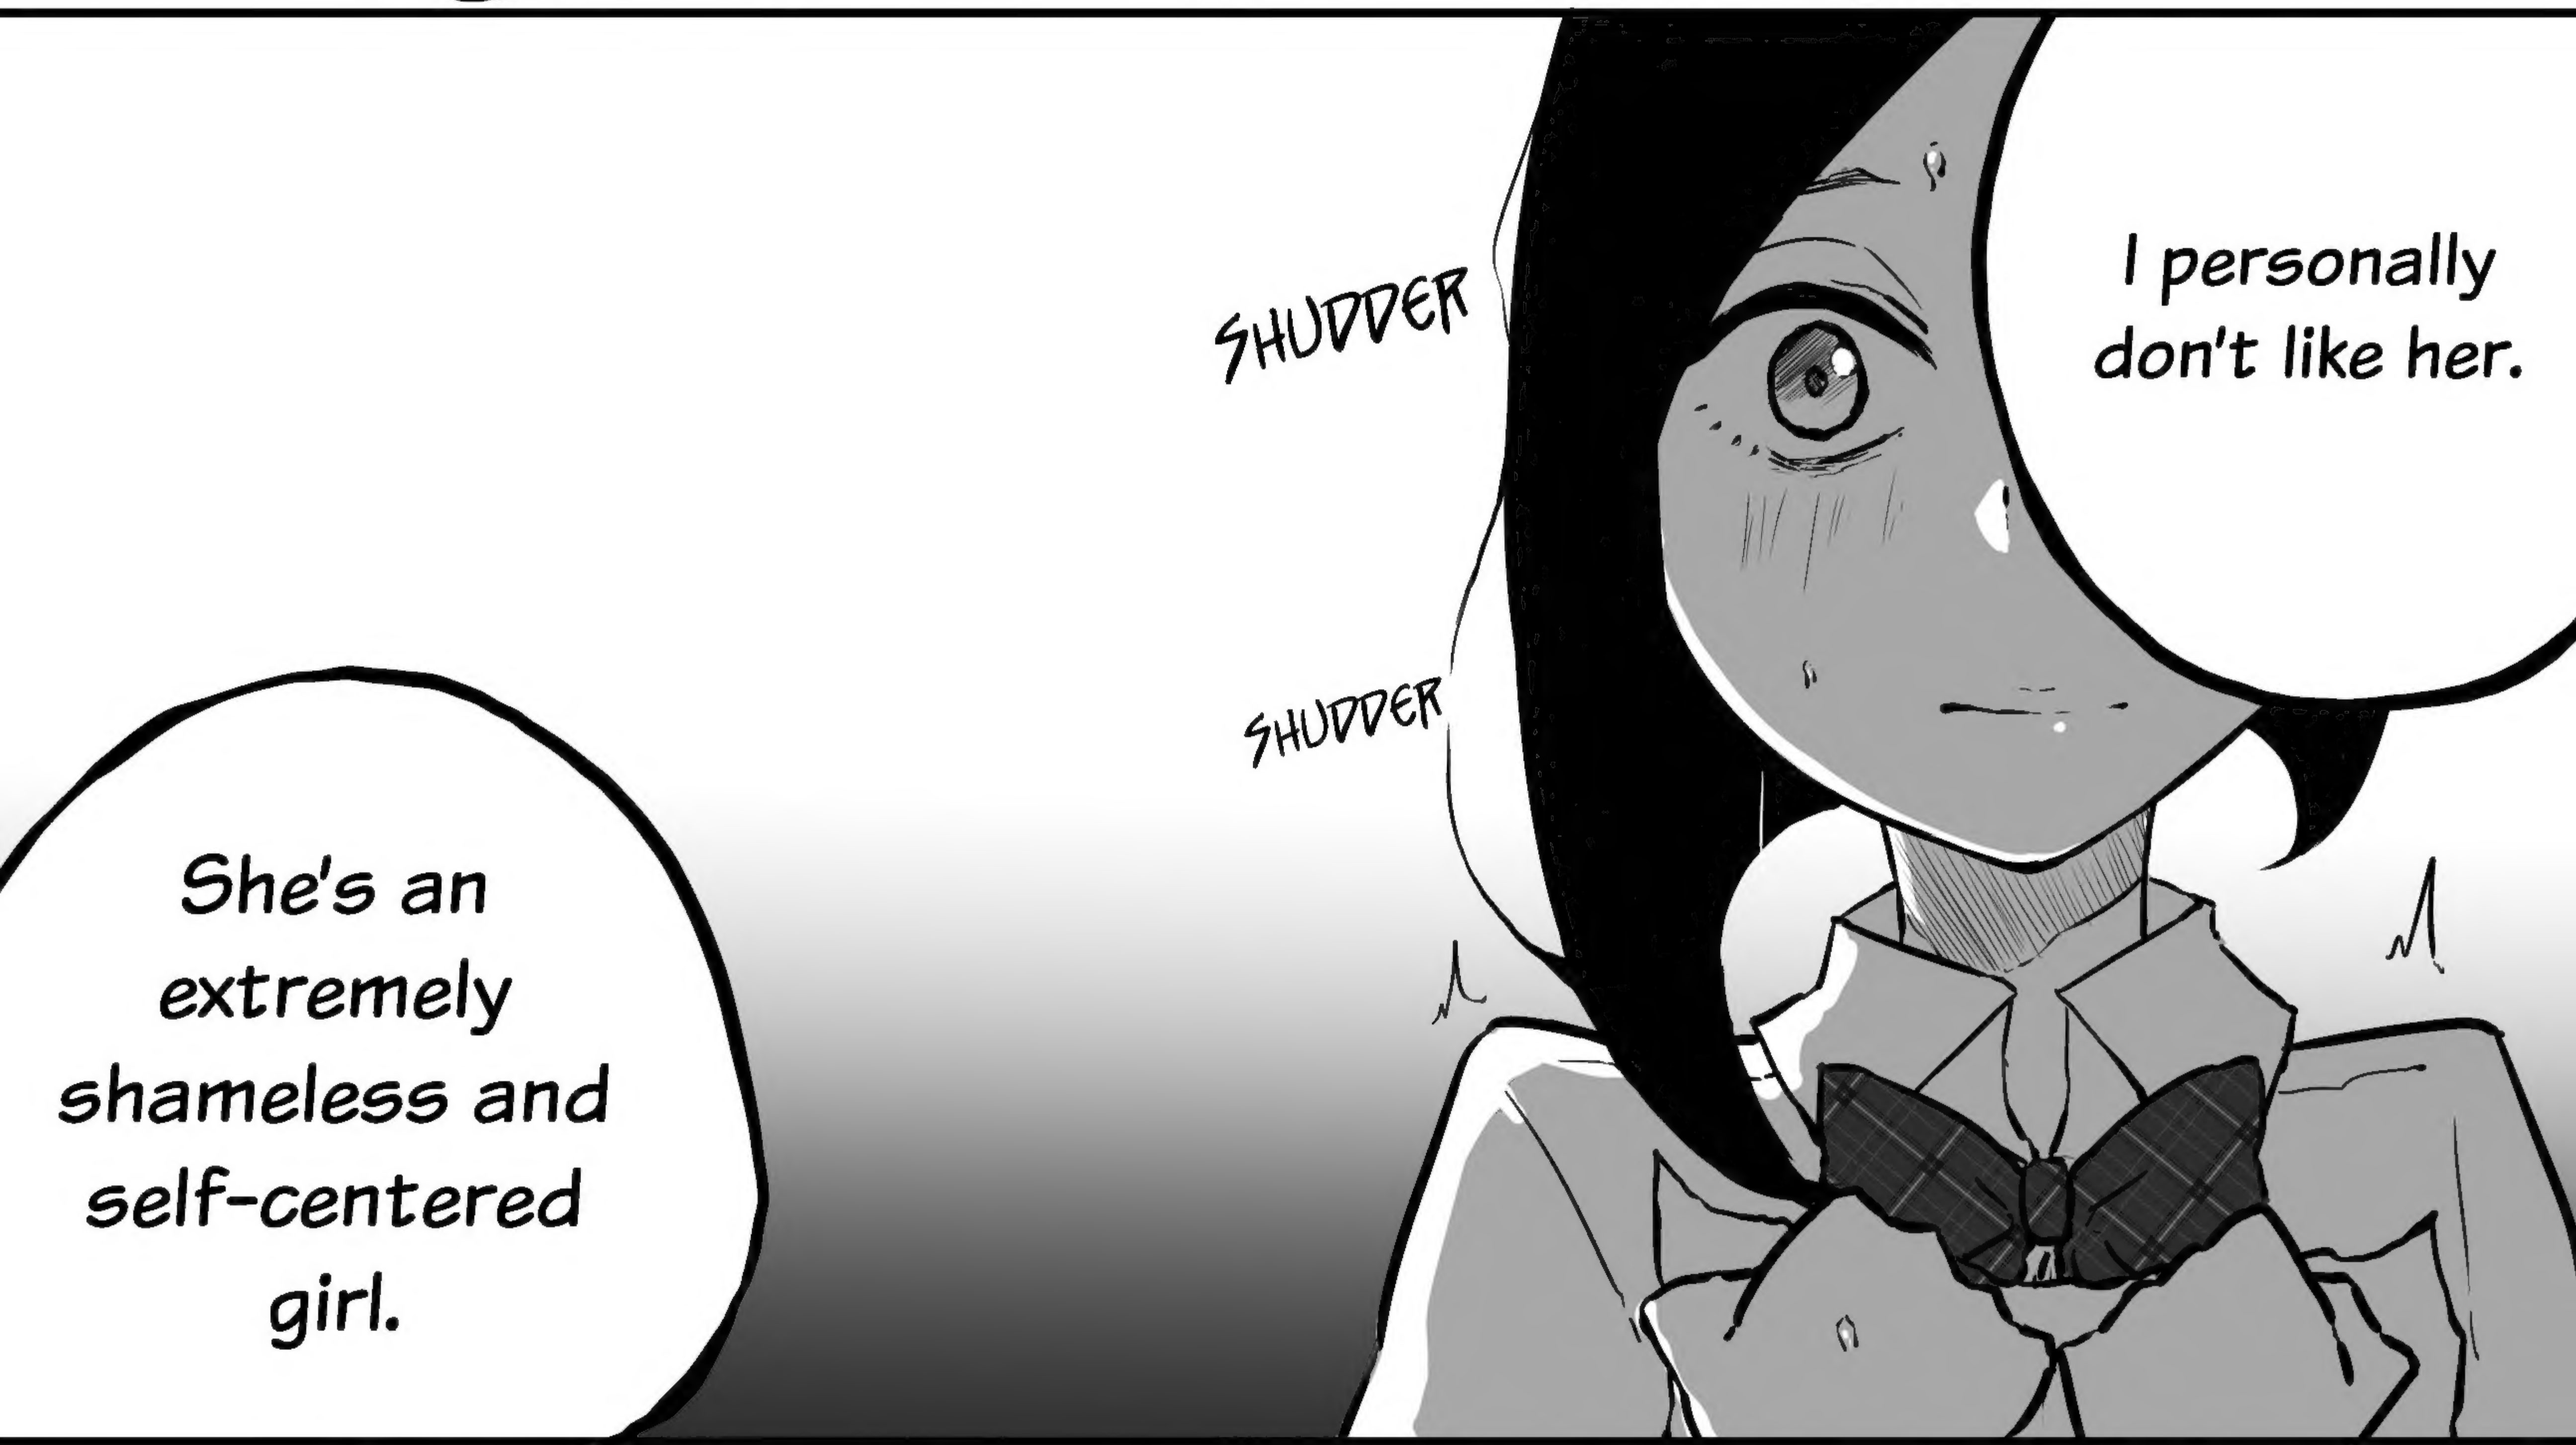

And she's an obstacle to our purpose.

Our job as the public morals committee is to preserve morals and maintain discipline inside the school.

above everything

And

She's an extremely shameless and self-centered girl.

I personally don't like her.

So as the president, I thought I'd give her a thorough lesson.

Special guidance measures
Anzai Mika

She's too dangerous for you other girls to handle,

I know of a way to make even a dimwitted girl listen to what I say.

But it'll be fundamentally different from a normal lesson.

After all, it takes a thief

to catch a thief.
